

VEHICLE DISABLED?

CALL NAC FLEET RESCUE

Available 24 hours a day!

Your Fleet Management has selected Fleet Rescue to provide you with:

- Towing
- Jump Starts
- Tire Change
- Lockouts
- Fuel & Water Delivery
- Mechanical First Aid

Fleet Rescue will provide you with the needed service, and with no cash outlay from you.

FLEET RESCUE INSTRUCTIONS

To get service anytime day or night:

Carefully follow the instructions on the other side of this card.

Accurate information about the location of your disabled vehicle will enable our service operator to locate your vehicle promptly and expedite the rendering of service.

Keep these instructions with the vehicle at all times.

If the vehicle is to be towed unattended, please leave the keys inside.

If possible, stay with your vehicle until Fleet Rescue service arrives.
